Selected Career information:

- U.S. Senior Executive Service since 1987.
- Director of Operations: six component Offices since 1992; (approximately 250 people) responsible for the economic research and substantive investigative work of the agency, involving roughly 60% of agency personnel.
- Adjunct Professor, Graduate School of Public Policy, George Mason U. since 1998.
- Chief Economist, US International Trade Commission, 1995 to 1999.
- Chairman, USITC Strategic Planning Committee, four years Chairman of the agency Budget Committee, on Board for Federal International Trade Data Systems
- Founder and Executive Editor, *Journal of International Commerce and Economics*
- Sustain an environment of achievement through innovative managerial and research initiatives to improve support for trade policy; fostered teamwork and participation across offices and agencies; encouraged publication and other professional contributions built on the work of the agency; and fostered ITC publications, staff reports and working papers that disseminate the agency's industry and economic expertise.
- Called on often to testify before Congress, frequently invited to lecture before academic, business, and governmental groups in the U.S. and abroad. Popular speaker for George Mason University Speakers Bureau on both global issues and motivational speaking.
- Working closely with the U.S. Trade Representatives, Office and House Ways & Means Committee and the Senate Finance Committee, re-engineered of USITC investigations and research capabilities to enhance negotiation support and to achieve premier scholarship and world wide recognition for ITC.
- As Deputy Director, Bureau of Consumer Protection, FTC, oversaw all consumer protection activity of the agency's headquarters and 10 regional offices. Reduced workforce and increased productivity 30 percent.
- Served on the U.S. delegation to Consumer Policy Committee of the Organization for Economic Cooperation and Development (OECD). Head of delegation in the absence of a White House representative. Elected by OECD members to chair a Working Party. Authored Product Liability Rules in OECD Countries.
